

## FARM CULTURAL PARK EVER HIGHER

May 2, 2017

Here comes another important recognition for **Farm Cultural Park** , an independent cultural center of **Favara**: the **Curry Stone Design Prize** , the American foundation that awards the hundred experiences in the world over the last ten years have produced greater social impact for the local areas, has added to inside also Farm Cultural Park.

In mention it refers to the importance they have played seven yards for the **creation of a community that has made the art of public space and its strong point**: *"Farm Cultural Park has attracted some of the best Italian artists the world and let them exhibit their work in a small town. "*

Only a few days ago another great satisfaction for all those that orbit the world Farm: **"Google Arts & Culture"** has been inserted a **digital collection** that shows **one hundred and fifty pictures** that relate to the cultural park of Favara. Looking for "Farm Cultural Park" of [google.com/culturalinstitute](http://google.com/culturalinstitute) you can find the digital exhibition, **"For ordinary people."**

*"We are happy and honored - said **Andrea Bartoli and Florinda Saieva** - d i receive this prestigious recognition that we share with all the beautiful enlarged Community of Farm Cultural Park."*
